**Minutes**  
**CoventryVision Committee Meeting**  
**February 7, 2021**

The meeting was called to order at 6:33 PM by Committee Chair Konrad Mroczek.

Present: Konrad Mroczek, Francis Lombard, Laura Stone, Greg Butler

Greg was welcomed to the committee. He has a background in audio and streaming. Possible training for Greg to cover meeting broadcasts was discussed. He will attempt to shadow Konrad at upcoming meetings for this, with the next opportunity on February 22 at the Town Council meeting.

**Projects:**

- The community gardens video project is complete. It can be viewed on the Town's video-on-demand library at this link: <https://coventryct.viebit.com/player.php?hash=8HZXiz34TIPE>.
- The flag ceremony is done. Francis has footage of the bench dedication and flag burning ceremony.
- Francis wants to re-shoot the Library Coventry Conversations segment.
- A Community Conversation segment with Manny Rodrigues is pending. Contact information has been sent to Francis.
- We have some Farmers' Market footage and the Committee would like to get more and do a spotlight piece this summer. Laura indicated that there may be some turnover on the Market's operating committee in the near future, so it would be a good idea to reach out soon.

**Video Coverage:**

- The Town Council budget dates have been set for March, and video coverage is needed. Konrad will review the [schedule](#) and advise if back-up assistance is needed.
- Other events were discussed for possible coverage. The Memorial Day parade is covered frequently and is not a target for filming this year, unless some members plan to attend anyway and want to film some b-roll. The CoventryFest event appears to be happening this year, and that has not been filmed recently. The date of that event is 6/25 in Patriots Park. Schedule not yet announced but will be available on the Coventry Cares LLC [social media](#).
- The Ice Fishing class has already taken place, but b-roll footage might be possible as many people are still out on the ice.
- Other Recreation programs for possible coverage can be found on the Recreation Department's seasonal [program brochure](#). Ideas or new initiatives from committee members are welcome.

**2022 Meeting Schedule:**

The draft [2022 committee meeting schedule](#) was approved on a motion by Laura Stone, seconded by Francis Lombard and unanimously approved.

**Adjournment:**

The meeting was adjourned at 7:10 PM on a motion by Laura Stone, seconded by Greg Butler and unanimously approved.

Respectfully submitted,

Laura Stone
