Subject: 4 Town Economic Vitality Team

Question on the 4 Town Team – the other town’s elected bodies have formally appointed folks to the 4 Town Steering Committee, as indicated below. Overall, it is a mix of mostly staff reps and a couple board/commission/selectperson members. Would it be ok to request the Council appoint me, Wendy and Erica for the time being – just to formalize things? As the Team’s work continues, there may be an ability to have an EDC member (hopefully), a business owner, or other stakeholder be considered.

: Bolton – Josh Kelly, Sandra Pierog, Patrice Carson
: Coventry – pending – Eric Trott, Wendy Rubin, and Erica Pagliuco continue as staff representatives
: Mansfield – Ryan Aylesworth, Cynthia VanZelm, Cara Workman
