Happy New Year Everyone!

2020 was a difficult year for everyone, especially with the road racing scene. With very little to no in-person races occurring over the past few months, we should be excited for a slow return to races in 2021!

On Saturday, March 20th, 2021 we will be having the Make-A-Wish CT 5k Road Race in-person in Coventry (of course only if in-person events are allowed at that time, but we are confident they will be)! All of the proceeds from this event will be going to the Make-A-Wish CT foundation to help grant wishes for children fighting critical illnesses. Last year we were able to raise \$7,000 for it and our goal is to beat that this year! So if you're looking for an in-person race and want to make a difference, this is the race for you!

As mentioned previously, we are also holding a partner race in Bethany on Sunday, March 21st! This is an elusive town and this will be the only race of the year in Bethany! So for those of you looking to check off Bethany, this is your race! Here is the link to this event for more info:

If you are interested in both races, you can sign up for both of them at a discount!

Happy New Year and stay safe,
