Dear Mr. Elsesser,

On Saturday, June 5, 2021 (rain-date of Sunday, June 6), approximately 50 – 100 cyclists will be participating in the 16th Annual John E. Jackman Tour de Mansfield bike tour event. We are requesting permission to use a segment of road(s) in the Town of Coventry for our event route.

We have made alterations so that Brigham Tavern Road is not included in the proposed route for 2021; we kindly request use of the following roads/mileage within Coventry:

- Approximately 0.44 miles on Depot Road
- Approximately 1.55 miles on Old Eagleville Road
- Approximately 0.45 miles on CT-275 (Stonehouse Road)

Enclosed is the proposed route with the portion(s) of the route that travel through Coventry highlighted. If you prefer, a hard-copy of this request can be mailed and I am also available to meet virtually.

To approve this request, please send notice in a reply to this email address. Please let me know if you have any questions or require additional information. I greatly appreciate your time and consideration. Thank you very much!

Sincerely,

Denise Kessler
