Memorandum

To: Town Council
From: Amanda Backhaus, Finance Director
Re: School Construction Grant Fund Allocations
Date: December 28, 2021

Recently the Town/Board of Education submitted School Construction Grant applications to the State for two school roof replacement projects. These applications were rejected for a few minor clerical issues. One concern was the funding allocations of each project. I am requesting the Council formally approve the allocation of funding for each project so that it is clearly outlined for the State.

Motion: Council moves to authorize up to \$1,168,894 for the George Hersey Robertson School Roof Replacement project. Said project will be funded from the \$2,780,000 of general obligation bonds approved at the Town Referendum on November 3, 2020.

Motion: Council moves to authorize up to \$5,498,448 for the Coventry High School Roof Replacement project. Said project will be funded from \$1,611,106 of the \$2,780,000 of general obligation bonds approved at the Town Referendum on November 3, 2020 and \$3,887,342 of the \$3,900,000 of general obligation bonds approved at the Town Referendum on November 2, 2021.

Motion: Council moves to authorize the Town Clerk to submit a certified resolution to the State Department of Administrative Services in connection with the George Hersey Robertson School and Coventry High School Roof Replacement applications.
