Briefly explain why you are interested in serving on this Board or Commission and what you would like to accomplish.	I recently moved to the lake community from my small town in eastern ct. I have had a passion for the environment for as long as I can remember. I always wanted a job with water and marine life but ended up getting a degree in environmental health and safety. At work I am in charge of drains and other environmental and safety programs. I am so excited to be able to live on the lake and want to make sure it is in the best condition possible for all my neighbors.
Please outline other education or experience which would be helpful to the Board or Commission to which you are applying:	Bachelors In environmental health and safety I have been working in the field for 6 years I used to volunteer at mystic aquarium
