**Subject:** [EXTERNAL] Your Sustainable Connecticut Application has been certified

Dear Coventry:

Congratulations! We are pleased to announce that Coventry has been awarded Silver Level certification for 2022!

Your application was approved for 30 actions in 12 categories for a total of 460 points.

Sustainable Connecticut will be issuing a press release for all of our certified applicants to recognize this achievement.

In the coming weeks, we will also be sending you an email with materials and more information to help you make the most of your certification.

In the meantime if you have any questions regarding your Sustainable Connecticut certification feel free to contact [info@sustainablect.org](mailto:info@sustainablect.org) or call 860-465-0258.

Congratulations again on this outstanding achievement!

Sustainable Connecticut
