I am not opposed to it. The PD can assist with any traffic concerns. The ride event usually needs a permit through D.O.T. Any idea how big it was the previous year?

RIDE FOR GAGE

At age 19, Gage Rondeau took his own life on December 30, 2016. Gage, raised by his grandparents Joe and Ruthann Ferenc, was the center of their universe and the light and love of so many who knew him. Gage was a kind and talented young man who was an avid hockey player and a formidable adversary on the soccer field. He excelled in every sport and played with unbridled enthusiasm. His beautiful smile would light up a room, and his loss will leave all who knew him and loved him forever changed.
