Subject: [EXTERNAL] A Reminder: 30 days left to submit your intent to bring a UConn DPP Graduate Intern into your agency

Hello John,

A reminder: If you have not already completed your intent to participate electronic form you 30 days left. We look forward to working with you.

We are getting ready and are accepting the Intent to Participate forms for the UConn IPP Graduate MPA and MPP internship program. Through the Internship and Professional Practice Program, highly-skilled University of Connecticut Master of Public Administration (MPA) and Master of Public Policy (MPP) second year graduate students, on track for careers in the public and nonprofit sectors, can bring their talents to your agency's work.

Highly-Skilled Support for Your Agency
To date, over 300 UConn MPA & MPP graduate interns have worked in nearly 100 state agencies, town governments and nonprofits, many repeating for multiple years. Through the IPP program your organization will gain:

• 585 Hours of Skilled Support: Graduate interns work on special projects and program support for 15 hours a week for 39 weeks (August 23, 2020 - May 21, 2021).
• Quantitative & Assessment Skills: Our second year students have completed a year of rigorous graduate study and have developed significant skills in finance and budgeting, research design, statistical analysis, economics, policy analysis, human resources and other key areas of public and nonprofit program management.
• Low Cost, High Benefit: The low cost for an IPP graduate student to work in your agency for an entire academic year is $16,500 (covers salary and benefits). The output is tremendous.
• The Right Match: You interview the graduate students. Together we find the right match of a skilled student for your organization's needs.

What we have before us are some breathtaking opportunities disguised as insoluble problems.
- John Gardner, 1965

**Past Praises from Supervisors**

**Connecticut Department of Children and Families**
"Our department would not have been able to achieve the gains in performance that we have made this year, without the assistance of our IPP interns."
- Anne McIntyre-Lahner, Director of Performance Management

**Town of Newington**
"Our IPP interns at Newington Public Schools always surpass expectations. Our IPP intern performances are a testament to the superior quality of the UConn MPA and MPP program and its students."
- Pamela Muraca, Assistant Superintendent of Curriculum

**Hartford Youth Scholars**
"Our IPP intern performed like a member of our staff in every aspect. It was as if I was able to hire an additional team member at a fraction of the cost. I highly recommend this program."
- Roxanna Booth Miller, Co-Director and Chief Development Officer
