      2. The commission also discussed the possibility that the applicant would be willing to grant the town a conservation easement, or a right of way, so that the town would be able to continue the Millbrook Greenway in its goal of reaching the Willimantic River.

   None

7. Old Business
   A. Do Not Litter Signs - L. Lowe told the members of the commission that E. Trott will place an order for 8 signs, and that the wording at the bottom of the signs will read as follows, “The Coventry Conservation Commission”.

   C. Social Media update – No action taken.
8. Members Forum
   A. B. Coss asked the commission members if all lake associations should have a sign posted advising all boaters to clean their boat trailers before launching their boats. The commission members thought this had already been done. If not, why? The signs should be posted before the boating season starts.
   B. Rain Barrels - The commission thinks it would be a good idea if they could purchase some as a giveaway to town residents, if all possible.
