The adoption of the minutes was delayed since there was no quorum.

New Business:

Discussion on Plan of Conservation and Development:

Comments on the Plan have been received by the following entities and we reviewed:

: Coventry Lake Advisory and Monitoring Committee – The Committee suggested some new language and revised language pertaining to the Town’s Lake resources. The changes were included in the draft.

: Booth & Dimock Library – Margaret, the Director, offered a new section describing the current situation and future needs of the Library. The language was added with some slight modifications.

: WPCA – There was a simple edit which can be included.

: Parks and Recreation – There were a few simple edits that can be included.

: Friends of Bolton Lake – Eric will review the suggested text and include more of the recognition of the watershed and its resources.

All of the required referrals and notices have occurred. Eric will prepare a powerpoint presentation that will cover the Plan in general and also highlight information shared in the Visioning Sessions. The opening of the public hearing is scheduled for May 26.

Adjournment: The meeting was adjourned at 10:25am.

Respectfully submitted,

Eric M. Trott
Director of Planning and Development
