Reflections on the Town Council presentation:

The Committee was very happy with how the presentation with the Council went. The Council was appreciative of all of the Committee's and Staff's work to complete the Report.

A brief discussion occurred about the status of the Committee pursuant to the Council's charges after the completion of the Report. Staff suggests that it would be prudent to wait until the new Council is elected and the Manager is able to work with them to set priorities for their term, which can include furthering affordable housing goals. The next Council will consider the possible creation of a dedicated Senior Housing Committee.

Staff recommends that the Committee take the time to spread the word in the community about the completion of the Report and to create more publicity on the issue.

Next meeting:

It was agreed to set a tentative date of November 23 at 9:30am for the next meeting, which can be adjusted depending on the situation with the new Council.

Adjournment:

The meeting was adjourned at 10:30am.

Respectfully submitted,

Eric Trott

Director of Planning and Development
