Coordinator’s Comments

**A message from Carrie:** May was designated “Older American’s Month” by President Kennedy. The Administration for Community Living celebrates this month as a way to recognize the contributions Older Americans make in our communities. This year is the 50th Anniversary of the Older Americans Act, therefore the theme is “Get into the Act” to raise awareness of the importance of community engagement. Last month we celebrated our volunteers who are truly valuable to the Senior Center. This month we want to highlight how much Seniors support our community as a whole. Many of our Seniors are responsible for Foodshare distributions, coordinate charity races, or write elected officials in support of important legislation, among many other important roles. Thank you for all that you do!
