Support Group for Older Adults: As we continue through the darkest and coldest months of the year, life may seem to get gloomy and dull; especially if we are dealing with the loss of a loved one. Coping with the death of a loved one can be difficult for anyone, and can have an impact on our daily lives. But we must not forget all of the positive memories we have shared with the person we have lost! This support group is designed to offer both men and women a chance to talk in a warm, friendly, and open minded environment about their experiences and memories of the person they have lost. This is an opportunity to come together as a community and provide each other with friendship, inspiration, and encouragement as we all learn to live without the person we loved. Join us on Wednesday, February 3 at 10:30 a.m. for our first meeting. This group will meet every Wednesday in the month of February. If there is a weather cancellation, the group will meet on Thursday. Sign up at the front desk.
