Eric,

Studenroth will require another 30 day extension (request letter attached). When I checked yesterday the consultant had not completed his report to the State Archaeologist. I think I will need to let the owner and consultant know that the clock is ticking and this is our last extension available.

Can you call me when you have a chance? I would like to add preliminary discussions for the Breton Family Subdivision on Plains Rd and the Maynard Open Space Subdivision on Broadway to the agenda for Monday night. I was planning on dropping off the maps later today.

Hi Andrew – Attached is next Monday’s pzc agenda that includes Studenroth. Hopefully we will see something from Sarah before the meeting so we can wrap it up. Also, attached is my review/update. Thanks!
